

Omni-8/16c Incandescent Lamp & Holder Kit

Model C1160 8 piece pack.

DATASHEET

FEATURES

- 8 piece Lamp Holder and Lamp kit
- Twist Grip fit Lamp Holders
- Long Life Incandescent Lamps

The Lamp Holders and Incandescent Lamps are supplied together as an 8 piece kit for spares holding or for replacements in the field.

The Lamp holders are easily replaced on the dismantled Omni-8/16C display PCB. They are pushed into the positioning hole and rotated to lock. The Lamps can be

inserted from the front of the display window without dismantling the unit.

Incandescent Lamps may be also ordered separately refer to Model Numbers :

- C1161 10 piece pack
- C1162 100 piece pack
